

Travels in a Mathematical World

a podcast from the Institute of Mathematics and its Applications, the IMA

Travels in a Mathematical World

a podcast from the Institute of Mathematics and its Applications, the IMA

Features:

Interesting mathematicians talking about

- their work
- their careers
- an interesting problem they have worked on
- an interesting area of mathematics - possibly just 'off-syllabus'

Maths history with Noel-Ann

Bradshaw of the University of Greenwich and Meetings Secretary for the British Society for the History of Mathematics

Maths news roundups with Sarah Shepherd, editor of iSquared magazine

Get the podcast at:
